

## THE BETNOWNY PLAYERS CLUB RULES PRESENTED BY NASSAU OTB ENTERTAINMENT

1. BetNowNY Players Club members must be at least twenty-one (21) years old.
2. Members must have an active Nassau OTB Permanent Wagering Account ("wagering account").
3. There is no membership fee.
4. All members must complete a BetNowNY Players Club application form including two forms of acceptable ID consistent with Federal standards contained in OMB No.1115-136 (pertaining to I-9 forms).
5. Membership is limited to one Players Club account per person. Only natural persons are eligible to participate in the program. Corporations, partnerships, trusts or other legal entities are not eligible to participate and earn points.
6. Membership is non-transferable and non-assignable.
7. Players club cards may not be shared with or loaned to another player. Wrongful use of the card through deception, sharing, or partnership will result in loss of membership in the program and accumulated points as well as the forfeiture of all Nassau OTB Permanent Wagering Account balance sums attributable to Players Club rewards and deduction of the price of all goods and services attributable to Players Club rewards from the member's Nassau OTB Permanent Wagering Account. NROTB reserves the right to close the member's wagering account and refund any remaining balance.
8. Points earned by the player are not transferable and may not be combined with other players, their estates, successors or assigns. Accrued points shall not constitute property of the player.
9. Any applicable city, state and/or federal income tax is the responsibility of the Players Club member.
10. Players club cards will be accepted at all Nassau OTB branches and on all account wagering platforms.
11. Only wagers accepted by the wagering system will earn Players Club points. Any wager resulting in a pari-mutuel price of \$2.10 based on a \$2.00 wager (\$2.20 where applicable, currently tracks in AR, MA, IA, WV) are not eligible for reward points. Nassau OTB reserves the right not to award Players Club points for wagers that result in a minus pool.
12. A Players Club Card must be inserted into the teller or self service wagering terminal reader prior to making wagers in order to earn points for those wagers. It is the member's responsibility to ensure that the card is accepted before making a wager. If a wagering account has an associated Players Club account, wagers made from the wagering account at any wagering terminal or platform will automatically accrue points.

13. Players Club points from different cards or accounts may not be combined for rewards. Points shall only be credited and available for use in the account of the individual who placed the wagers. Under no circumstances may accrued points be sold, bartered, or pledged.
14. Players club points may be redeemed for rewards approved by the New York State Gaming Commission ("Gaming Commission"). The list of approved rewards will be available for inspection at all Nassau OTB branches and online at [www.betnowny.com](http://www.betnowny.com). Rewards may include funds credited to the Player's Nassau OTB Permanent Wagering Account, publications and other goods and services. Applicable taxes are the responsibility of the player.
15. Photo ID (valid driver's license, state ID or passport) must be presented by the Players Club member, if requested, in order to redeem points in person.
16. Only the Players Club account holder is entitled to obtain access to their account information. Nassau OTB will not share account information with third parties other than the Gaming Commission unless required to do so by statute, court order, subpoena or other legal process.
17. Before the start of the first totalisator session of each month, the system will assign each member a Player Level for the upcoming month, based on the member's previous month's wagering activity; the member's Players Level determines the level at which the Player will earn points for the upcoming month, as per the attached schedules. A new member will not earn any points during the first month in which he becomes a member as the system has not tracked any wager activity for the previous month. For purposes of this program, a month shall be defined as a calendar month and shall include all wagering for which the pool that was wagered on is official during totalisator sessions that begin during that month.
18. Points are awarded based on the Players Club member's Player Level for that month, the amount wagered, track, wager type, and the wagering terminal or platform used to place the wager, as per the attached schedules.
19. Players Club points will be credited to the Players Club account no later than one hour after the pool(s) the member wagered on are official and remain in the member's account until he chooses to redeem them or they expire; the Players Club member chooses when and how many points to redeem at designated sites for reward(s) the member selects from the list of Gaming Commission approved rewards; Redemption sites and the list of available rewards will be posted at all Nassau OTB branches and on [www.betnowny.com](http://www.betnowny.com): Available rewards may include funds credited to the Players Club member's associated Nassau OTB Permanent Wagering Account, publications and other goods and services; Players Club points expire when no wagers have been tracked by the system for that account during any calendar year.
20. Nassau OTB reserves the right to make point and level adjustments to any account and reserves the right to make adjustments due to computer error, machine malfunction, operator error, fraud or other misuse. Notification of such action will be provided to the Gaming Commission.
21. Nassau OTB reserves the right to terminate, revise, modify or withdraw the Players Club at any time with or without prior notice, with the approval of the New York State Gaming Commission, even though the changes may affect the value of Players Club points already accumulated. Players Club rules, reward lists and point schedules will be available for inspection at all branches and on [www.betnowny.com](http://www.betnowny.com).

22. BetNowNY Players Club reward statements will be contained in Nassau OTB wagering account annual statements.
23. Any wagering account dormant for a period of three years will be distributed as per applicable New York State law. If a Players Club account has no qualifying activity during any calendar year then all points credited to the account will expire. "Qualifying activity" shall be defined as wagers tracked by the system for that Players Club account. Purchases of food, beverage or other items shall not be deemed qualifying activity.
24. Nassau OTB reserves the right to exclude or remove anyone from participation in the Players Club program for cause. Officers and employees of Nassau OTB are not eligible to be Players Club members.
25. All decisions of Nassau OTB management will be final.
26. The receipt by Nassau OTB of an application to the Players Club signifies the applicant's acceptance of all rules and conditions.
27. Reward lists may be updated periodically with the approval of the New York State Gaming Commission and will be available for inspection at all branches and on [www.betnowny.com](http://www.betnowny.com). Rewards lists will be filed with the Gaming Commission one month before they are offered to Players Club members.
28. Nassau OTB reserves the right to offer promotions for various tracks, wager types, locations, or device types as part of the BetNowNY Players Club program with the approval of the Gaming Commission.
